

## **STEWARD** SPEAKERS

**Denola M. Burton** is the Founder and CEO of Enhanced DNA: Develop Nurture Achieve, LLC. She holds the Bachelor and Master of Science degrees in Biology. After beginning her career as a scientist, she transitioned into Human Resources and maintains certifications as a Professional in Human Resources from both the Society for Human Resource Management (SHRM-CP), and the Human Resource Certification Institute (HRCI-PHR). She is a Certified DISC Behavioral Coach through Innermetrix North America and is a Certified Speaker, Trainer, Coach with the John Maxwell Team.

Through Enhanced DNA: Develop Nurture Achieve, Denola develops and nurtures individuals and organizations to enhance their Leadership, Communication and Performance “DNA”. Denola is an author and a publisher and is a member of the Independent Book Publishing Association (IBPA). In 2019, Denola created the Enhanced DNA Publishing Division of her company and now assists new and newer authors in publishing their books to meet the IBPA standards.

Denola retired in December, 2017 from Eli Lilly and Company where her career spanned over 27 years. She has been married to her husband, Phillip, for over 27 years and they have two daughters, Danielle and Ciara. In addition to serving on the Board of Directors for Steward Speakers, Denola also serves as a mentor and member of the Board of Directors for Pass the Torch for Women Foundation.
